

Major Gift Recognition

The City of Fort Collins and Poudre Fire Authority will “Never Forget” the tragic events of September 11th, 2001. In the spirit of this promise, we are honored to announce a campaign to underwrite the construction of a 9/11 Memorial in Fort Collins.

The 9/11 Memorial at Spring Park will be home to a 5-foot steel I-beam pulled from the World Trade Center, and gifted to Poudre Fire Authority in 2015. The park commemorates the sacrifices and loss all Americans felt that day while highlighting the local effort of COTF-1, and joins the City of Fort Collins’ enduring portfolio of parks and community facilities.

The 9/11 Memorial at Spring Park is made possible through the generosity of private donors. Recognition of major gifts to this community campaign include:

Recognition of Major Gifts Onsite, Permanent Donor Recognition
